

Journeyman Carpenter

MurphyMcKenna Construction is seeking qualified candidates for a Journeyman Carpenter to join our team. Ideal candidate will oversee assembly and installation of wooden infrastructures, studding, concrete forms, scaffolding, as well as design and build new wooden infrastructures.

Primary Duties:

- Installation of internal residential structures such as frames, stairways, partitions, rafters, and furniture, as well as inspecting structure integrity upon completion.
- Determine project materials needed, while monitoring inventory and ordering supplies regularly.
- Have an ability to read and interpret architectural plans and blueprints accurately.
- Train and manage apprentices and subordinates on job site.
- Schedule the transport of site materials and equipment to various projects.
- Observe and comply with all applicable OSHA Safety Regulations.

Required Skills:

- Candidate must have previous apprenticeship program completion.
- Excellent verbal and written communication, as well as outstanding problem-solving skills.
- Have a minimum of 3 years' experience as a carpenter.
- Be physically able to perform various job site tasks as well as work long hours when needed.

Focusing on high-end residential custom homes throughout the Bay Area and Sonoma County, MurphyMcKenna is regionally recognized for their commitment, dedication, and execution to the highest level of craftsmanship. MurphyMcKenna offers an excellent compensation package which includes competitive medical, generous profit-sharing IRA/401k plan, Paid Time-Off (PTO) and paid Holidays.
